

## SKI CLUB ANNUAL MEETING

The Terrace Bay Ski Club will hold its Annual Meeting in the Recreation center large meeting room, on Friday, December 6th at 7:30 p.m.

The business portion of the meeting will feature election of officers and a discussion of club activities for the forthcoming ski season.

We have been able to obtain a spectacular film from General Motors Corp. on "Hot Dog Skiing" which will be shown at this meeting.

Ski Club members and all others interested in skiing are invited to attend.

## TOWN TALK CANCELLED

Due to the fact that a majority of the candidates for Council and School Trustees in Terrace Bay have been returned to office by acclamation, Town Talk has been cancelled.

We would urge every citizen to cast his or her vote in the upcoming Municipal Election on Monday, December 2nd.

- Terrace Bay Chamber of Commerce

## DONATION TO HOSPITAL BUILDING FUND

Mrs. Jean Crook, President of the Ladies Auxiliary to the Canadian Legion, Branch 109, Schreiber, presented a \$500.00 donation to the McCausland Hospital Building Fund, when Joan Nugent and Rena McAdam met with them and members of the Royal Canadian Legion at their November 11th functions. This is a much appreciated contribution from those busy ladies.

Anyone wishing to make donations to the hospital building fund will receive a receipt valid for income tax purposes.

## COMMENT

In last weeks issue of the Terrace Bay News Contractor R.T. Yates put a notice to the Terrace Bay Residents that effective November 19th "all garbage must be put in proper containers, which is garbage cans or plastic bags. Garbage put in boxes will be left. Empty boxes must be cut up and tied".

After reading this an inquiry was made at the Municipal Office to see the contract the town has with Mr. Yates.

Bill Hanley immediately phoned the contractor to get clarification on this notice. The contractor stated that many homeowners leave the tops of the boxes open so that when the garbage person picks up the boxes after a heavy rain the bottom falls out and garbage is strewn all over the ground.

Mr. Hanley then read the contract to the contractor and an understanding was reached that as long as the boxes are properly sealed they will be picked up.
