Gifts that are Music to the Ears!

SCHREIBER, ONTARIO NOVEMBER 21 - 22 - 23

LLOYD'S

Stereo Phonograph with Matched Speakers

Component-style BSR phonograph. Contains built-in stereo amplifier. A pair of dimensional-sound speakers, make it a self-contained record-playing system. Auxiliary input jack accepts either cartridge deck, or AM/FM tuner, separate volume, bass and treble controls. Slide control for balance. Headphone jack, and smoke cover included. Z6531

89.99

LLOYD'S

Deluxe Compact Home Music System

Fine quality system for AM, FM and FM/Stereo radio, 8-track tape recorder to make cartridges from records, radio or microphones. Receiver section has illuminated slide-rule dial for FM and AM bands, separate stereo indicator, push-buttons to select mode of operation, switchable AFC for drift-free FM and powerful, full-range stereo amplifier. Individual slide controls adjust bass, treble, balance and volume. 8-track record/playback unit has separate volume level indicator meters for left and right channels, digital-type channel indicator, pause and fast forward button controls and manual program selector. Wood-grain contemporary cabinet is trimmed in brushed chrome. Two air-suspension high fidelity speakers. B.S.R. 3-speed auto record changer with sapphire stylus, dust cover. Z6565. (Stand optional extra)

\$299

Baycrest 20" B&W T.V.

No tubes... and the 100% solid state chassis assures instant action... no waiting for picture or sound. Complete with telescopic VHF antenna. Attractive walnut grain cabinet. Z6725
