EDITOR TERRACE BAY NEWS

As the immediate past Reeve of Terrace Bay I would take this opportunity to congratulate those citizens who have allowed their names to stand for election this year, and by the same token to voice my grave concern to the over all lack of interest when we have acclamations for Council and Separate School Board and have to go to another election for the Public School Board.

We still have an important election coming up and I trust that we will still show our community pride by getting out to vote on election day.

W.E. (Ed) Cavanaugh.
