

Homes for the Aged Meeting - continued

The Constitution also required that the Administrator inform the Municipalities, by registered mail, thirty days prior to the meeting. Regulations affecting the appointments by the Municipalities have not been announced to date.

The Ministry has made provisions enabling Extended Care Residents to take vacations up to fourteen days, changing the previous limitation of seventy-two hours. Legislation has been approved whereby the Board of Management can establish Satellite Residential Care Homes, with up to twenty-five Residents. These would be similar to the Foster Care Homes where the limit was six Residents.

The Board set their next regular meeting for December 14th at 10:00 a.m. at Pinewood. They will be reviewing Registered Nurses' rates and Heads for 1974-75 and, Departmental Heads of Staff salaries for 1975. Further, they will be reviewing preliminary budget estimates for 1975. The Ministry has requested early budget estimates because of the recent inflationary costs and salary increases.
