

The Angel's Harp

THOUGHT: "There comes a time in every man's life when he must grab the bull by the tail and face the situation squarely."
- W.C. Fields.

Could this be our energetic Kindergarten Teacher surrounded by spooks, goblins and other such things that appear from nowhere at Halloween time? Mrs. Wilde's room was a beehive of activity and excitement as parents and children gathered for an afternoon of games and treats.

Parents arriving for the Halloween party are shown in the photo below.

It isn't everyday that 'the wild' comes indoors, but the pleasure was ours when we were entertained by three lion cubs barely five weeks old. The cubs were part of a travelling zoo on their way to take up residence in Sudbury. The children had an opportunity to ask questions and pet the animals shown on the next column.
