

TRADITIONAL WHITE GIFTS SENT TO SALVATION ARMY

An early touch of Christmas appeared during the Sunday morning Service, December 8th, when children and parishioners of the Terrace Bay Community Church placed their gifts of toys before the altar. All wrapped in white by the children, the gifts have now been packed and

forwarded, courtesy of Lakehead Freightways Ltd., to the Salvation Army in Thunder Bay. From this point the toys will be distributed to children of the area at Christmas time.

The Sunday School classes and members of both choirs were treated to a Christmas luncheon following the Sunday morning service on December 15th. A rousing sing song of Christmas music, led by Mrs. M. McKague preceded the luncheon. The luncheon was given to the children by the Ladies Auxiliary of the Church with Mrs. Leona Mercure convening.

Christmas Eve services in the Terrace Bay Community Church will be the Carols and Candles service at 7:30 p.m. led by both children's choirs under the direction of Mrs. Margaret McKague. Holy Communion will be celebrated at 11:30 p.m.

SHEAF OF GRAIN A SCANDINAVIAN CUSTOM

Scandinavian farmers traditionally practice the custom of attaching a sheaf of grain to a pole and placing it out in the snow as a Christmas feast for birds, often with suet added as an extra treat. It is said that no peasant would sit down to Christmas dinner until the birds had been provided for.
