

EVENTS AT BIRCHWOOD TERRACE

Tuesday afternoon December 10th, the Women's Institute of Schreiber held their monthly meeting in the board room of Birchwood Terrace having all our lady residents as guests.

After the meeting these ladies joined in the afternoon coffee break in the home where they supplied a delicious lunch of assorted sandwiches, cheese, pickles, etc.

All the residents received individual gifts and a bushel box of apples was left to have at their leisure.

The Brownies of Schreiber entertained the residents of Birchwood Terrace Wednesday evening, December 11th with Christmas Carols.

A presentation of two leather hassocks to be used in the lobby was made by Velvet Moore and Cheryl Jorsz and accepted by Mrs. Sylvia Lustila on behalf of the residents.

The lunch of Christmas baking was provided and served by the children. Their cheerful dispositions and smiling faces encouraged all into a Merry Christmas Spirit.

Governor John and Sr. Regent Sadie Benko and the Executives of the Loyal Order of the Moose, Terrace Bay Branch hosted a most delightful evening for the residents of Birchwood Terrace.

It began with a cocktail party from 5 to 6 with a sumptuous buffet dinner, served by the ladies following.

The men of the Moose tended the bar for the evening and also entertained with a few songs of their own.

Santa appeared on the scene with gifts for all.

Later the young Commisso Boys played their renditions of old and new tunes, while our residents enjoyed their evening of dancing.

It was a fun evening for all and they are looking forward to the next time.
