

memory of my dear Father, William
 who suddenly passed away Jan. 10, 1973
 was great, the shock severe,
 we thought the end was near,
 by those who have lost can tell
 of parting without farewell.
 Each day we miss you father,
 may think the wound is healed,
 by little know the sorrow
 lies within our hearts concealed.
 He is missed and lovingly remembered by daughter,
 daughter-in-law Del and Grandchildren,
 Carol and Darcy.
