LETTER TO THE EDITOR

Christmas I received a card and enclosure from my old friend Elenore Tyzyski. The enclosure was of the Terrace Bay Softball team - in days of yore! It was wonderful to receive this photo and to reminisce. The photo I believe was taken in 1954. Some of the "old gals" are still around. Will you say "hello" and best wishes for the New Year for me?
 Terrace Bay must be quite a changed town. I shall always remember it with feelings of warmth and friendship.
 He also sends his best wishes to you and the New Year.
 - Donna Walker.

How I wish I had that waistline now!
 I am enclosing an old snap of the staff house of Longlac Pulp in the summer of 1954. I remember the little girl used to come to the staff house and pick up any purses left around to play house with. Her embarrassment returned the purses of course but more than half the girls got nervous stomachs to figure out what had happened to the purses!!

Outside one of the staff houses. We were sitting on the ground then. Irma Waara, Kay Biesenthal, Kathleen Stokes, Donna Dumas. I recall the other two girls beside Irma blonde sitting. The little girl lived in the staff house.
