

UNITED CHURCH WOMEN MEETING

United Church Women of Schreiber held their first meeting of the year with thirteen members and four visitors present.

Followed by a pot luck supper, the meeting was presided by Mrs. R. Macadam who had charged the devotional program based on the theme.

M. Spillane gave the treasurer's report and also the annual report showing the church was a very successful year financially. Members paid their yearly dues. The Official report was given by Mrs. R. Macadam mentioned the resignation of Mr. C. Matheson from the pulpit and the Congregational meeting on Sunday, January 19th.

The supper will be preceded by a pot luck supper. All church members are invited, followed by a short service and the general meeting.

It is hoped that members would attend this year's event.

M. Spillane presented a lengthy list of names of members and shut-ins to whom she had sent letters, cards or Christmas cards.

Members had also enjoyed the Christmas party at the Birchwood Terrace Home when musical entertainment was provided by Mario Comisso. Gifts were presented to 97 year young Mr. [Name] for the residents.

[Name] is the father of Mrs. Harriet McBride, a U.C.W. member now residing in B.C. Mrs. Macadam read a poem sent by Mrs. [Name], former U.C.W. member now residing in [Location]. The humorous poem was entitled "Over Christmas".

Various committees were also organized for the year and members were asked to consider ways and means to celebrate the fiftieth anniversary of the United Church and the nine-hundredth anniversary of the local St. Andrew's.

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

Steve is a pleasant, polite, well-groomed lad waiting for an adoption home which he hopes will be in the country.

He is small for his 16 years, and his interests are similar to those of a 13 year old. English in descent, Steve has red hair, hazel eyes and fair, freckled skin. He is in good health but has epilepsy which is well controlled by medication.

Steve has considerable mechanical aptitude and enjoys working with his hands. He is in Grade nine of a vocational course and wants to be a sheetmetal worker. His hobby is building model planes. Steve is industrious and conscientious about everything he undertakes to do. He likes animals and small children.

A family with children either older or younger will be ideal for Steve. To inquire about adopting Steve, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. For general adoption information, consult your local Children's Aid Society.
