IDA ROMANUK HONOURED

December 14th, at the Annual Christmas Dinner Ida Romanuk was honoured. On behalf of the Terrace Bay Ladies Curling Club Ann Latour presented Ida with a life membership. Ida also received a corsage sent by her daughter and several friends presented Ida with a bouquet of flowers. Ida received a ovation from everyone present. Ida is a charter member of the Ladies Club. She served on the executive from 1950-59. She was the first Northwestern delegate from Terrace Bay from 1953-59 and made 2nd vice-president in 1959. She was the Northwestern delegate to the provincial playdowns while a member of the team. She was President of the club for two years, President of Ontario for one year and from there senior delegate to Ontario to Dominion playdowns for several years. She was President of our club for several years. She curled with Peggy Wellings, Ann Latour and La Duquette in Northwestern and in 1958 and 59 they went to the Provincial playdowns. She says she has thoroughly enjoyed her years of curling and fellowship. Recently she can not take an active part in curling you will find Ida behind the bar cheering and taking part in the club activities.

Sonic Boom

A sonic boom is that thunder-like noise you hear when an aircraft passes overhead traveling at or above the speed of sound. Such sounds are caused by shock waves from airborne objects resulting in sharp pressure disturbances.
