HOCKEY CHALLENGE

Kinsmen Club of Terrace Bay lays a challenge before the Kinsmen Club of Schreiber at centre ice of the Terrace Bay Arena on February 28th at 7:30 p.m. to engage in a battle to determine the first "SMOCKEY" of the North Shore Kinsmen Clubs. If the Schreiber Kinsmen fail to show up for a resounding defeat the Terrace Bay Kinsmen will happily accept the championship trophy.

TERRACE BAY COUNCIL QUOTES

The regular meeting of Terrace Bay Town Council opened at 8 p.m. on Wednesday, January 22nd with the passing of the minutes of the Inaugural and Regular meeting held January 7th.

Councillor Kennedy, who was unable to attend the inaugural meeting was duly sworn into office on January 13th.

Lengthy correspondence began with a letter from the town's insurance company. They pointed out that construction costs have increased an average of 46%. With this Clerk Hanley presented a list of the present insurance on buildings, equipment, etc. with the increases listed varying from 20-40%. Council agreed to this.

A letter of appreciation was read from Lakeshore Community T.V. for council's letter sent to the CRTC on their behalf.

A letter from Mrs. J. Yates with regards to dogs running at large brought forth a lengthy discussion on the topic. Councillor Helmink will discuss this with the police department and report back to council. (See page 5 for further details).

A letter from Mr. and Mrs. Kurylo requested reimbursement for loss of revenue during the tile laying at the Recreation Centre. Since no amount was set in the letter, Council will request an amount be set before a decision can be made.

A letter from the McCausland Hospital Board asked Council if payroll deductions could be set up for the town employees in order to raise funds for the building project. Council agreed to this.
