## SCHREIBER KINSMEN SPONSOR STUDENT

Don Anderson, President of the Kinsmen Club of Schreiber has announced the club's participation in a unique leadership program for young people.

A student will be sponsored to the 14th Annual Kin Hi Leadership Program at Quetico Centre a continuing education and conference centre, 100 miles west of Thunder Bay, near Atikokan.

The Kin Hi Leadership Course for young people was designed by the Kinsmen Clubs of Northwestern Ontario and Manitoba and Quetico Centre. Its objective is to offer an opportunity for young people to have the kind of learning experience which will help them develop insight into democratic leadership, learn leadership skills, gain an understanding of the demands on a citizen in a democracy, and contribute to the personal growth of the participant. Students are also helped to relate the learning to "back home" activities in youth and community service groups in which they are or may become involved.

A group of young people gather annually for two weeks of intensive study under direction of skilled leaders. Students work mainly in small groups and meet in plenary sessions to share ideas and solutions to problems.
