OUR TROUT LAKE HERITAGE

Chappel, Fish & Wildlife Supervisor
is a lake trout lake? We in Ontario
er know. We possess 50% of the lake
akes in the world. Ontario has some
area of the world's surface acreage of
out lakes.
many lakes comprise 50% of the world's
It amounts to only 2000 lakes. Man-
as 207; Saskatchewan 295; Alberta has
tish Columbia 48; Quebec about 150;
otia 4; Yukon 31; Northwest Territories
Scandinavia and Russia have very few
world's lake trout lakes.
nt reassessment shows that Ontario has
me lake trout lakes during the past
rs. These losses are mainly due to
ication caused by pollution, over ex-
ion, or a combination of both.
trout are a primitive species, the dom-
predator in the community. They are
to take too much stress from mankind.
out lakes themselves are even more
e and fragile.
we in Ontario do have an important
set - we must look after it.
