Following the photo that was printed in the Terrace Bay News 2 weeks ago about the first garbage truck, one of the original residents asked if anyone remembered 'Sam the Garbage Man' who collected garbage with 2 horses and a sleigh in the winter time. Sam was a kind man who loved the little children, and if the collection days weren't busy he would give all of them a ride on the sleigh, garbage and all.

## BROWNIES HOLD ENROLLMENT CEREMONY

Schreiber Brownie Packs 1 and 2 held an enrollment ceremony, attended by many parents and friends, in Holy Angels School auditorium when the following new members were initiated:

Pack 1 - Nadia Francceshini, Susan Imbeault, Carrie and Candice Campbell, Brenda Spezaile, Lisa Lengyel, Leslie Moore, Shannon Riley and Laura Cebrario;

Pack 2 - Tammy Walton, Sandra Phillips and Elizabeth Zborowski.

During the evening Ruth Ann Birch and Dianne Figliomeni received their tenderfoot leader pin

A pantomine 'This is the Pack that We Built' was cleverly done by the Brownies, followed by the parents joining the girls in a song and dance routine.

There was an interesting display of the various badges to be won in Brownie work, and two girls gave a puppet show. This being the Thinking Day annual celebration the sixers from each pack presented the pennies gathered, to Leaders, June Sisson and Marcie Cebrario. A birthday cake centered the tea table and the parents were served by the sixers.
