TERRACE BAY SKI CLUB NEWS

The Ski Club is happy to have the new tow rope installed and operating well. With excellent weather and hill conditions many skiers have taken full advantage to good use during the past month. For the first time the splicing was accomplished by local members. Even with the generation of Cochrane-Dunlop Hardware. Dave Shpirko manager, the cost to the Club was still double that of the previous year. One can easily ascertain, from the fact that inflation has indeed hit nearly every aspect of daily living.

On Saturday morning, March 1, ski lessons were successfully completed. Most members attended the sessions. Practice for Carnival

events will be held on Saturday, March 8th at 10 a.m. for all participants. Please sign up and attend.

Ski Club Carnival Events shall commence at 6:30 Sunday evening March 9th. Jumping, Slalom and Aerial Free Style competitions will be the order of the evening.

The Guides will be selling hot dogs and refreshments.

Everyone is welcome to come out, join in the fun and cheer the skiers on.
