cated that you wish to make a donation, a
member of the Kinsmen Club will be despatched
to your residence to collect your donation and
write you a receipt. This donation will then
be monitored to the Telethon at CHFD-TV
studios. It's as simple as that.

Another interesting feature of the Telethon
will be the entertainment content. Each comm-
unity which has a Kinsmen Club will have tal-
ent from the respective community appearing on
the Telethon. Also, feature stars will be in-
volved such as Bobby Curtola, Roy Oribson,
Myrna Lorrie, etc.

Think about the Telethon and it's value to
Cystic Fibrosis and more important why not call
the numbers listed in this article to MAKE
YOUR DONATION!
