You want your business to grow.

The Northern Ontario Development Corporation was created
by the Ontario Government to stimulate the economic growth
of this region.

This means finding ways for smaller businesses to become
bigger, or at least more profitable.

This can mean making money available to qualifying businesses
for expansion of plant or facilities, if you can show us that you
cannot obtain funds from the regular lenders.

This can mean talking, at no cost to you, with our team of con-
sultants — experienced in engineering, accounting, business
administration and marketing, and all of them residents of
the north — about your particular problems.

To find out what the N.O.D.C. can mean to you, get to know
your local representative — in Timmins, Sudbury, Thunder Bay.

We're here to help, that's our business.

An N.O.D.C. travelling consultant will be in this area at:

Northern Affairs Office on Wednesday,
May 14 (p.m.) and Thursday, May 15 (a.m.)
Interviews for Marathon, Manitouwadge,
Terrace Bay and Schreiber.
