THOSE COOTS, THEY'RE AT IT AGAIN

This time the two original "Old Coots",
Denny Neylon and Russ Macadam, joined by a
third, Alec Furyk, fresh from a Florida vaca-
tion, decided to wage war on litter, get their
daily dozen, and contribute once again to the
McCausland Hospital Building Fund.

They realized \$63.00 from the sale of beer
bottles collected hither and yon.

These gentlemen abound with enthusiasm, and
Denny, eldest of the group, only wishes he
could come up with some more good ideas.
Ideas that combine fresh air, exercise and mon-
ey for our new hospital.

Ideas anyone?
