## Hudson's Bay Company

### LACK OF RESPONSE AT THEATRE PRODUCTION

The Magnus Theatre Northwest presentation of "Two for the Seesaw", directed by Burton Lancaster that was played at the Lake Superior High School Terrace Bay last week, was a superb show, with a real good life like situation portrayed by an excellent actor and actress.

The production manager was most disappointed by the lack of response by Terrace Bay people. Only 17 turned out to see the show and those few realized what a lot everyone missed.

This didn't seem to affect the cast, they played as though a packed house were present with a performance that was excellent and that would be hard to equal even in the theatres in a big city.

Welcome to Terrace Bay's new dentist - Forrest Notwell from Windsor, Ontario.

Mr. Notwell graduated from the faculty of Dentistry at the University of Toronto

Mr. Notwell and his wife Kathie are happy to be in Terrace Bay, especially after seeing our lovely Golf Course, for both

of them are golfers and enjoy curling and cycling.

They will reside at 140B Birch Crescent. Mr. Notwell will start his work here in early May. His dental surgeons receptionist will be Mrs. Jeannette Gunter.
