THE McCAUSLAND HOSPITAL BOOSTER BUTTONS

The Fund Raising Committee of the Board of Governors of The McCausland Hospital has just launched a new building fund project with the sale of booster buttons.

The Committee hopes to raise a substantial amount of money with this project and at the same time publicize the need for support from the citizens of Rosspport, Schreiber and Terrace Bay.

These buttons are on sale at most business establishments and are numbered. Once a month for the next few months, a draw will be made for a cash prize. The first draw will be held on May 24th. The winning number will be published in the Terrace Bay News.

Proof of winning will be your button, so wear it or keep it handy. If you are lucky, phone 824-2480 or 825-3891 for your cash award.
