ST. BERCHMAN'S CHURCH
SUNDAY MASS - 1:00 P.M.

Homes for the Aged - continued from page 1

This is in conjunction with the course for the Homes for the Aged. The Residential per diem rate for Birchwood was approved at \$13.50 and at Pinewood Court \$22.50. This has already received the approval of the Ministry.

The Board has decided not to increase their own stipend for Board meetings which will remain at \$25.00 for the Chairman and \$20.00 for Board members. However, they agreed to increase the mileage rate to 19¢ per mile for both staff and Board members.

Bob Lavoie Flooring was the successful tender for installing a carpet in the lounge at Pinewood Court at \$919.00.

The Board meeting lasted four hours. The new Board members are very interested in serving on the Board and they want the Municipalities to know that they are available for any questions in relation to the operation of the Homes, or plans of the Board. The Municipalities are urged to contact their Area representative. Area 1 - Mr. Alex Daneff; Area 2 - Mr. S.J. Desjardins; Area 3 - Mr. James Hale; Area 4 - Mrs. Mary Tolmonen; Area 5 - Mrs. Lillian Morrow.

The next Board meeting is to be held at Birchwood Terrace on Friday, June 27th, 1975 at 12:30 noon.

NORTH SHORE YOUTH SUMMER CAMP

To appreciate the north in which we live, we must use it to the utmost. This is the realization of the Ministry of Education and the Recreation Departments of Schreiber, Terrace Bay, Manitouwadge and Marathon, and to this end the Youth Summer Camp will again be in operation this summer.

This year the camp will cater to boys aged 10 - 14. It will be located at Canoe Lake, sometimes called Noslo Lake, 9 miles east of Terrace Bay. It will be a live-in camp, where the boys will be supervised by two senior student counsellors. Each camp session of five days duration, Monday, through Friday, will have 10 young campers in attendance. The boys will be instructed in the use of camping equipment, organization of back-packing, preparation of meals, a course in emergency first aid, identification of edible wild plants and their preparation as emergency foods. Proper use of canoes and water safety will be emphasized before a two-day canoe trip winds up the week's events. Map reading and compass work will give the boys a greater feeling of security for outdoor living.
