HOME BUILDING IS EASIER, LESS COSTLY, THE IMPERIAL "PRECISION-BUILT" WAY

Don't let high interest rates prevent you from owning your own home. Precision-Built Homes provide the answer to ever-increasing building costs by effecting substantial savings on factory-produced sections that are designed for quick, easy assembly by you, your contractor, or Hagglunds' Home Building Specialists. This method eliminates costly errors and time-consuming cutting and fitting on the job. Precision-built kits reduce labor costs by permitting you to complete as much or as little of your home as you please. Compare the rest and you'll agree Imperial Precision-Built homes offer much more for much less.
