

IN THE NEWS THIS WEEK

25 YEARS AGO - JUNE 15, 1950

Last Saturday afternoon our Plant Nurse, Betty Cunningham and Forbes Cruikshank of Maintenance were united in marriage in St. Martin's Church. The service was performed by Father Roenicke. Mrs. Peggy McAllen of Fort William was bridesmaid while Paul Boudreau acted as best man for the groom. After the ceremony a reception was held at the home of Mr. and Mrs. Paul Boudreau where the happy couple take up residence upon their return from a honeymoon being spent in Minneapolis.

STORK CLUB: Congratulations are the order of the day to Mr. and Mrs. Ed Seretsky on the birth of a baby girl on Thursday, June 8th.

your week ahead BY DR. A.W. DAMIS

Forecast Period: June 22 to June 28

ARIES
Mar. 21-Apr. 19

Most members of your sign will take on a mature attitude. Why? First, you'll meet a few irresponsible people. Next, you'll face a few minor reversals.

TAURUS
Apr. 20-May 20

Indecision, on the part of a superior, will cause you to hold back on a few of your own plans. Incidentally, you might be a little unhappy about additional responsibilities.

GEMINI
May 21-June 20

By now you will have been told... you're about as tameable as a fly. Furthermore, you'll get the feeling that someone is about to let you down.

MOONCHILD
June 21-July 22

At this phase in your life, self pity will be a big thing. Incidentally, you'll receive help from an unexpected source. Actually, you'll get more help than you think.

LEO
July 23-Aug. 22

Listen well! An associate, with whom you've become bored, can put your hand on the lever... pull, and you'll hit the jackpot!!!

VIRGO
Aug. 23-Sept. 22

Good news, according to your chart, comes as a fresh flowing breeze. And too, this cosmic cycle will surface your better traits; things should go well.

LIBRA
Sept. 23-Oct. 22

"Too many irons on the fire" is indicated by prevailing stellar patterns. Keep a spot open in your schedule for a new and interesting project.

SCORPIO
Oct. 23-Nov. 21

Whether or not you intend it, you will, in one form or another... improve someone else's finances. Incidentally, you might trigger an emotional explosion among your associates.

SAGITTARIUS
Nov. 22-Dec. 21

This week, your "super sensitive feeling" could be a drawback. It seems as though you'll take things too personal—in your job, task or project.

CAPRICORN
Dec. 22-Jan. 19

There's no cause to panic, nonetheless, it's possible that you might find yourself short of cash, in an emergency. So, keep an extra dollar available.

AQUARIUS
Jan. 20-Feb. 18

Strange as it might sound, trivial things that happen during this cycle, occur once in a lifetime. Meaning? You have nothing to learn from the experience.

PISCES
Feb. 19-Mar. 20

Take care, you're in high impulsive gear. You might, without thought of consequence, change your job or residence. Yes! In some situations, even, your mate or similar alliance.

Warning to Motorists: Several complaints have been received from tenants that cars and trucks have been driving over their lots from one street to another. Only town streets are to be used as through traffic arteries. Lots are considered private property and are to be treated as such. This matter has been taken up with the Provincial Police and any further violations shall be handled by them.
