How we built a little bit of Florida into a nice hotel in Thunder Bay.

Miami hotels have pools you can lie beside enjoying the sun.

So does ours. Mind you, we put our pool inside, because it does get a smidge cold here some months. But, we did put a glass roof over it to let the sun shine in.

At Miami hotels, you can get great seafood.

Same with us. One of our bunch of good restaurants offers steak and lobster for just \$6.45. And we have all kinds of other good stuff to eat too.

At Miami hotels, they have great big night clubs with fantastic entertainment.

Same with us.

All of which makes us a really nice place to stay. Next time you're in Thunder Bay, stay in Florida.
