

IN THE NEWS THIS WEEK

25 YEARS AGO - JUNE 22, 1950

STORK CLUB: Congratulations to Mr. and Mrs. Peter Gombola on the birth of a son on Wednesday, June 21st,

Ken MacKay of the Garage caught for himself a lovely speckled trout weighing 5 and 5/8 pounds. Just to take care of the sceptics, Ken had his prize catch weighed at the Hospital on the Baby Scales and witnessed by the Nurses. So watch it, fellas, don't any of you get yourselves half killed making a rush for the Tail Race down the Hydro road.

The News with their many friends extends hearty congratulations and hope for many more Wedding Anniversaries to Mr. and Mrs. Peter Gombola on June 18th; Dr. and Mrs. Jack Shaunessy on June 20th; and Mr. and Mrs. Glen Lumbers on June 26th. Many of 'em folks!

your week ahead BY DR. A.W. DAMIS

Forecast Period: June 29 to July 7

ARIES
Mar. 21-Apr. 19

It's going to be up to you, of course. You're entering a period that calls for expanding your project. So, it's open the throttle and full speed ahead.

TAURUS
Apr. 20-May 20

What's the best thing that could happen? A new face or an old friend to brighten you with a spark of enthusiasm. So, look for someone to boost your morale.

GEMINI
May 21-June 20

Good financial "vibs" crisscross your chart. But, wait! That's not all. It seems as though there's, also, better things to come—with the opposite sex.

MOONCHILD
June 21-July 22

There's added responsibility on the way. You won't like the set up, at first. You will, however, enjoy and find pleasure in this new challenge.

LEO
July 23-Aug. 22

Bluntly, you're in for an emotional surprise. It seems as though, a frivolous member of the opposite sex—will become serious, suddenly.

VIRGO
Aug. 23-Sept. 22

An important meeting is coming up. It's sort of a "hand shake behind the barn" thing. Anyway, this meeting will improve most departments of your life.

LIBRA
Sept. 23-Oct. 22

Getting involved in someone else's problems seems to be in the scheme of things. Truthfully, your thoughts and motives will be in the shade.

SCORPIO
Oct. 23-Nov. 21

Something you believe is scheduled for someone else, will indeed, happen to you. Take care, you might become a prisoner of your own reprisals.

SAGITTARIUS
Nov. 22-Dec. 21

This week, it would be a good idea to yield to a bad situation—in order to survive. In other words, settle for half—forget the whole!

CAPRICORN
Dec. 22-Jan. 19

According to your chart, a strong personality will attempt to overpower you. Incidentally, you'll be in touch with someone who is up to financial mischief.

AQUARIUS
Jan. 20-Feb. 18

Here we go again, the more light in your eyes—the blinder you become. It seems as though, you won't face reality—concerning the opposite sex.

PISCES
Feb. 19-Mar. 20

It seems as though you'll lie to yourself in order to justify your motives. Many members of your sign will reach into their "bag of dirty tricks!"
