COMMUNITY CRAFT RECEIVES GOVT. SUPPORT

The Community Craft Program has been fortunate in receiving a government "Opportunities for Youth Grant" for their Summer '75 Program.

The project will provide arts and crafts instruction for the people of Terrace Bay. A daily program in facilities provided by the Terrace Bay Campus of the Lake Superior High School. At least one evening a week will be provided in the evening at the Recreation Centre for adults.

All aspects of practical creativity will be stressed. The program will be open to the public June 28th. The front doors to the High School will open at 1:00.

Due to the large turnouts in previous years we have revised our schedule: Mondays and Tuesdays 8 to 10 years; Thursdays and Fridays 11 and over.

Further information concerning the adult sessions on Wednesday will be posted in the Terrace Bay News and on posters in the Business Section.

We feel fortunate in receiving support for another year ... so come and and enjoy yourselves.
