This building - in front of the McCausland Hospital - and joined by a covered "walkway" to the main door - has been renovated and loaned by Kimberly Clark to the hospital until the new Health Complex is completed. This has been done at no cost to the hospital except for the everyday operating costs.

Dr. Wilkes and Dr. Croll have provided the furniture and their own equipment. The Board of Governors were responsible for the carpeting.

Dr. Keith Wilkes and his wife Ann are living at 622 Strathcona Avenue. Dr. Blair Croll and his wife Helen are living at 618 Strathcona Avenue.

We welcome Keith and Ann, Blair and Helen to our community and hope they will be happy here.

(Please note - Dr. McCausland and Dr. Adey still have their office in the hospital).
