The local Roads Board met with M.J. Michaliuk, superintendent for the Department of Transport and Communications on the weekend. Chairman, Ray T. Kenney presided and Ron Langan, sec. treas. was in attendance. The local rate was set at ten dollars per property owner which is the minimum rate. Plans were discussed to improve the conditions on Church Street and the removal of the rock cut at the entrance to the highway on this street. This will provide for the proposed paving of this street in the near future.

A discussion was had pertaining to the permanent placing of vehicles such as mobile homes, tractor trailers, etc. on Dock Street. Mr. Michaliuk informed the board that this was not lawful or allowable.

Consideration was given towards the possible extension of Boone Street.

During the annual fishing trip on the weekend the Thunder Bay Dental Association held locally aboard the cruiser Yennek, Doctor George Macy won the coveted Santala Award for the largest trout weighing in at 6 lbs. Ray T. Kenney was the guide. Each doctor took home his limit of lake trout and enjoyed the two shore dinners of freshly caught trout.

Those attending were Doctors John Siren, Robert Sari, James Donaldson, Bob Brandon, George Macy, Arthur Sondale, Don Lysak, Bill Morces, Gerry Seaman Kushner and Garry Kushner

Mr. and Mrs. Peter Achneepiskum of Pays Plat Mission. He holds moose (and displays) that he carves from a piece of cedar. He carves them in detail even showing the hairs of the hides. He is kept busy filling orders for gift shops and private or individual buyers. His wife is an accomplished artist in her right also. She makes clothing from moose and deer hides. She is shown here making a bead necklace on a loom. Photos by A. Todesco.
