"BOND" PLAYS IN TERRACE BAY

"Bond" played in Terrace Bay on Sunday, July 13th at the Arena. This group are Capital recording artists on their way to a tour of the West. Their latest hits include "Dancin on a Saturday Night" and "When you're up, you're up"

A record was won by Lori McBride for singing with the band and by Michael Powers for being able to correctly name three members of the band.

On behalf of everyone present Debbie Viennau, who brought the band in, thanked them for the terrific performance.

Special thanks to everyone who helped in any way.

The band members are from Toronto.

CANADA DAY FESTIVITIES

The Kinsmen of Terrace Bay were in charge of the Canada Day Celebrations in Terrace Bay. Races for all ages of children were enjoyed by all.

A walking race for the Reeves endurance trophy was a big attraction as it was the first time one has been tried.

Everyone of all age groups set off together to complete the two mile walk (it was started as a one mile walk, but all those who walked guessed it closer to the two mile mark).

Winners were 1st class - Michael Moher 1st; David Stortini 2nd; Randy Krystia 3rd. Class 2 - 1st Lorne Luhta; 2nd David Falzetta, 3rd Frank Barry. Class 3 - 1st David Barnett, 2nd Michael Anderson, 3rd Charles Wise. Class 3 women - 1st Pam Jones, 2nd Jean Marcella 3rd Sylvia McCullough. Class 4 - 1st Mrs. Sarha-Jane Barnett, 2nd Mrs. Hannah Klug. The last one in was George Nugent, who said he wasn't really but he felt like a senior citizen after carrying one toddler on his shoulders and pushing some-one's baby in a stroller for 3/4's of the way.

A fancy dress parade was the thing looked forward to by the little ones, and many cute ideas were seen, as well as a good selection of 'Miss Canada's'.

Best all round - 1st Helen Jones (Miss Indian Fur Trader) 2nd Kathy Hansen (Crinalin
