OLD CHEQUE

Inez McCuaig was delighted to have the family of the late Bill Alcorn, going through old papers of their father, restore to her a cheque she'd issued, in 1967, for \$2.25 for an over-charge to their father.

Mr. Alcorn had asked that this uncashed cheque be returned to Mrs. McCuaig who believes it a typical gesture of Bill's and other customers, then, with whom she did business for the paper. Often, having close to one hundred dollars taken out of her own account, to cover such orders as - Inez, from phone call, or, casual meeting on the street - Renew my paper will you? I'll be over to pay you. Or - Inez - put in a thank you card will you? You know what to say.

In fact, for many years, she made more for the paper in Ads, thank you's and renewals than the Paper paid her for news.

And, this cheque, is a typical example of mutual trust - it was for a picture of 'Old Bill Alcorn' and a might fish he'd caught in Walker Lake, of which she got an excellent picture. And when she 'took' it, Bill said, "Here's \$5.00 Inez - get me ten copies, for the kids - if they put it in the paper". Which they did. And, so, she was returning the balance to him.

In earlier years, when No. I went out,

westward, around 3 a.m. she often went over to the post office around 2 a.m. with a footnote, to news, posted earlier, after lying awake and wondering was it an error - or was it forgetfulness, which led a hostess to omitting a name? And, called to make sure having blessings heaped on her - it was an error - and the omission could have led to a frightful family fracas!

Miss Mary Hadder, of Toronto visited her uncle and aunt Mr. and Mrs. Gary Drake en route to Thunder Bay.
