

# IN THE NEWS THIS WEEK

25 YEARS AGO - AUGUST 3, 1950

STORK CLUB: Hearty congratulations to Mr. and Mrs. Jim Cumming and Mr. and Mrs. Jim Stewart on the arrival of new additions on Sat. July 29th. The Cummings now have a daughter and the Stewarts have a little boy.

If you happen to feel that your luck has been running out on you lately you might get in touch with Jimmy Corrigan.

## your week ahead BY DR. A.W. DAMIS

Forecast Period: August 10 to August 16

**ARIES**  
Mar. 21-Apr. 19

Take care Aries! According to Stellar Patterns, you must not share long held secrets with a new acquaintance. Also, and old friendship might taper off.

**TAURUS**  
Apr. 20-May 20

Most members of your sign face a week of serious talks with the opposite sex. Make certain that the wrong word doesn't snowball into big things.

**GEMINI**  
May 21-June 20

You should know about mouse traps! Anyway, it seems as though someone in authority would like to put your nose on the cheese. Deal with superiors, cautiously.

**MOONCHILD**  
June 21-July 22

Whether money, or the lack of it... is the root of all evil, could be controversial. An exchange of words because of finances is in the scheme of things.

**LEO**  
July 23-Aug. 22

Being humble, most certainly, is not one of your stronger points. This week, however, paying tribute to an associate, whether or not it's deserved, will pay off.

**VIRGO**  
Aug. 23-Sept. 22

All the aches and itches that comes with being too involved in someone else's problems, shows in your chart. This week, try to mind your own business.

**LIBRA**  
Sept. 23-Oct. 22

If you disapprove, keep silent! During this cosmic cycle, you'll plunge into a mysterious mood. Meaning? You'll misread an associate's motives. Incidentally, your age will be important, this week.

**SCORPIO**  
Oct. 23-Nov. 21

With almost no effort on your part, as a matter of fact, in spite of yourself... it's highly probable that you'll gain financially, in one way or another.

**SAGITTARIUS**  
Nov. 22-Dec. 21

An advancement at your job, task or project crisscrosses your chart. As a matter of fact, this should be a fine week for personal and domestic achievements.

**CAPRICORN**  
Dec. 22-Jan. 19

No question about it, you're prone to promise far more than you can handle. Guard against scheduling yourself on someone else's ability to deliver.

**AQUARIUS**  
Jan. 20-Feb. 18

No matter how corny it might sound—don't neglect to pay a minor bill. Also, take care of a minor repair, otherwise, it'll parlay into a major reversal.

**PISCES**  
Feb. 19-Mar. 20

Being a victim of systemized delusions, when it comes to affairs of the heart, isn't new to you, Pisces! Proceed with the opposite sex, cautiously.

The Hon Kelso A. Roberts announced recently that Lake Superior is now closed to angling for Lake trout except under the authority of a licence. Commencing on July 30 all lake trout fishermen will be required to obtain a licence to angle for lake trout on Lake Superior and to submit a report on their catch to the Department. He further noted that the licence which is provided free of charge is valid for a period of 30 days and may be renewed as required. Mr. Roberts explained "the new regulation was established to facilitate the management of the important lake trout fishery on Lake Superior".
