SUMMER PLAYGROUND 1975:

Playground will be soon coming to a close but everyone is welcome to our final week of activities.

Last weekend an overnight camp-out was enjoyed by the 10-12 year old girls. On Saturd-

day night, we set out for Rainbow Falls Provincial Park. We were half-way through pitching the tents when it started to rain but we struggled through it and spent a peaceful night. The next day, a hike to the swimming beach and the falls took up most of the morning. We would like to thank all of those who provided transportation and those who helped us pitch the tents in the rain.

On Friday night, a Pre-teen Greaser Dance was held at the Public School gym. By a popular vote of the loudest applause, whistling and yelling, Joe Kennedy was the best greaser. Donnie Bougie won the door prize. The spot dance was won by Charlene Yates and Donnie Bougie.

The 7-9 year olds tried their hands at making jam on Friday. After an hour of strenuous blueberry picking, we combined our berries in one big pot and made a batch of blueberry jam. Everyone enjoyed themselves and were delighted to take some of the jam home.

Parents and families of those who attend the Playground are invited to the Playground wind-up to be held Saturday, August 23rd. This will be a picnic at the Lakeshore beach, approximately 12 miles out of Schreiber.
