THE McCAUSLAND HOSPITAL QUOTES

The regular meeting of the Board of Governors was held at the Terrace Bay High School Campus August 19, 1975. Minutes of the July 15th, 1975 meeting and Special Meeting of July 21st, 1975 were adopted as circulated.

A letter from Pinewood Court in Thunder Bay was received showing laundry costs for residential care and for extended care. Sick leave days for non-union personnel was put to I- $\frac{1}{4}$ days per month from I day per month effective September 1st, 1975.

The Service Employees Union Agreement would soon be up and the Board is being asked whether to negotiate money matters on a central basis and local matters locally. The Administrator is to check on same for the next meeting.

The Ambulance Service is still continuing to be operated from the Kimberly-Clark Mill until the Ministry awards it to someone in Schreiber where the ambulance has been stationed. A contract has now been signed between the Board and the Architects G.B.R. Associates of Winnipeg.

The parking lot at the Hospital has now been widened for all cars to park at right angles. FM music for the new doctors' waiting room is being looked into.

The Hospital was visited on August 12th, 1975 by the President of OHA and three of his staff who were touring some of the small hospitals of Northern Ontario.

Re the emergency room nurse, it was decided we would look after same with our present staff
