## Special Courses - continued

will be starting on September 9th; therefore, you should register for this course prior to next Tuesday.

Arrangements are presently being finalized with Confederation College regarding a Cross Country Ski Clinic to be held in our community hopefully during the month of November. We would appreciate hearing from anyone who would be interested in participating in this type of clinic.

## GIVE US A CALL .....

If there are any special types of programmes that you would like to see brought in to the community, why not make your ideas known to the Recreation Department. All you have to do is call 3542 and we are prepared to do whatever is necessary to get a special programme on its way. All we need is your participation by letting us know that you would be interested. The Recreation Office number is 3542.

## PROGRAMME BROCHURES AVAILABLE:

In view of the number of new families moving into town, the Recreation Office does have extra copies of the 1975 programme brochure, which outlines programmes, staff and the Recreation membership system. If you have just arrived in our community, feel free to drop down to the Recreation Office to get your copy of the 1975 programme brochure.
