

TWINS IN SCHOOL

Holy Angels Separate School in Schreiber is in the twin business again - with Stephen and Stacy Boon and Danny and Donna Borutski, starting school, and in older grades Larry and Linda Ross and Connie and Cecile McGuire still attending.

No other school has ever challenged Holy Angels record, in 1966 when it had eight sets of twins enrolled.

Some were identical, which made things interesting for their teachers and in fact most people in town still cannot distinguish between these particular sets.

Kathy and Karen Guina taking a degree in nursing in Thunder Bay, have startled many patients.

The group picture taken in 1966 includes front row - Dale and Shirley Ross (one of two sets in same family), Michael and Paul Fournier, Patrick and Michael Mulligan. Second row - Michael and Michelle Stortini, Norah and Nancy McGuire, Kathy and Karen Guina Douglas and Gordon Ross. Back - Donna and Linda Keating.
