

HOMES FOR THE AGED MEETING

The Thunder Bay District Home for the Aged monthly Board meeting was held Friday, August 29, 1975 at Birchwood Terrace with all seven Board members in attendance.

July accounts totalling \$91,297.02 were approved by the Board. Four resident approvals for Pinewood Court and two for Birchwood Terrace were also approved. The Administrator informed the Board that there were many inquiries from potential residents received during the past month.

The Board received an Admission Policy Statement from the Ministry signed by the Chief of Physicians, Dr. McKillop. The policy is much the same as the Board and admission team have followed, however, it does cover in greater detail reasoning for the guidelines, and is welcomed by the Board. The policy statement will be sent to Home physicians, social workers and all sixteen municipal councils for guidance in working with senior citizens in the District.

The newly formed District Health Council is requesting information in relation to the health care beds in the District. The Administrator will prepare a submission with data pertaining to our present role and also, future plans of the Board.

The Board reviewed fifteen resolutions to be presented at the Homes for the Aged Convention in September. Delegates will use their own judgement on how they vote after listening to the speakers on each resolution.

The next meeting will be held at Pinewood Court on September 26, 1975 at 12:00 noon.
