Mr. Hsui offered the Board a paperback book rack which was gratefully accepted.

BISHOP F.F. NOCK VISITS ST. JOHN'S ANGLICAN CHURCH, SCHREIBER

Bishop F.F. Nock, the new Bishop of Algoma paid his first visit to St. John's Anglican Church on September 19th. He was assisted in the service by the Rev. George Quibell of Nipigon.

In his address, Bishop Nock admitted his new position, being in charge of 70 parishes and 150 churches was a great responsibility. He said "our lives, and life about us is constantly changing and age has never affected Faith. Abraham at the age of 75 changed from a simple nomad to a shepherd when he led his tribes to Caanan building an altar at every stop. We are known by the Altars we build - to commerce, pleasure, education and even by some, to crime. The Christian's daily life should be his altar to God, his profession of his faith. Jesus led a life of many parts, but all of it Christian living."

The Bishop noted the steadfast faith of St. John's Church in the continuance of families within the congregation.

Following the service a social evening was enjoyed with members from Terrace Bay also present.
