CURLING COMMENTS

The Curling Club has been informed that due to a ice plant breakdown on October 23rd and 24th, ice in the Curling Rink will not be ready by November 1st as initially announced. Therefore the "Wine and Cheese" opening bonspiel will be changed to November 8th and 9th as opposed to the 1st and 2nd.

Plans for the open Curling Clinic will now depend entirely on when the ice will be available for play. Keep watching the News for further developements.

"Wine and Cheese" Opening Bonspiel - so far there are enough names to form 16 rinks. If you would like to enter, simply sign your name to special forms which have been posted in various business outlets at the Plaza. In addition forms have been distributed throughout Mecocamp site. Entry is 2.50 per person and teams will be drawn from a hat. Deadlines for entries will be Thursday, November 6th.

MEN'S LEAGUE - The amount of names being re-

ceived from new curlers is extremely encouraging. A reminder that you do not have to enter as a rink, individual names will be received as well. If you are interested in curling this year, all you have to do is call either Hugh Brophy (3825) or Bob Roberts (3860). Keep those names coming in. Details regarding the Mens League will be announced in the near future.
