## INFORMATION ONTARIO

By Bev Young, Northern Affairs Officer

Communication is a vital link in the operation of any organization. This is certainly shown now that we are without the services of mail delivery. To continue the communication process, the provincial government has developed a courier system to maintain communication between it's offices. This is strictly for government use only.

Several government ministries and agencies have completed arrangements to maintain communication. The following are some arrangements which have been established. If you wish further comment visit your Northern Affairs Office, Peninsula Building, or phone 229-1153.

**Retail Sales Tax** - In communities served by a vehicle licencing office retail sales tax payments can be made to the licence issuer. In other communities the Northern Affairs Office will accept payments.

**O.H.I.P.** - Ontario Health Insurance premiums will be accepted by cheque or money order by Northern Affairs.

**W.C.B.** - Workmen's Compensation Board applications can be forwarded through Northern Affairs and arrangements are being finalized to distribute W.C.B. benefits through Northern Affairs.

**C.P.P.** - Canada Pension and Old Age Security applications can be forwarded through Northern Affairs.

**U.I.C.** - Unemployment Insurance applications will be accepted and forwarded by Northern Affairs. However, no arrangements have been completed to distribute U.I.C. cheques through this office.

At the time of writing this article other communication links are being reviewed. For further information call Northern Affairs.
