CARD OF THANKS - DRAKE - We would like to express our sincere thanks to Dr. McCausland, the nurses & staff of the McCausland Hospital for their wonderful care of our dear dad and husband while he was in hospital and to all our many friends who sent memorial cards, flowers, food, sympathy cards and helped in so many ways after his death. A very special thank you to Bart & Stan and to all the ladies who helped the family with meals, to our many A.A. and Alanon friends for the help, strength and hope they have given all of us over the past 4 years, to Ed Prinselaar, for his many kindnesses, to Dorothy for looking after the music, and to the men who acted as pall bearers. The help from this generous community during this sad time has renewed our faith ten fold. God Bless You All.

- Margaret, Boyd, Bill, David, Lynne and Lori Drake.

Children

Nearly six million children are currently growing up in fatherless homes. Children are awarded to their mothers in approximately 90 percent of the child custody cases. A study of middle-class, executive-type fathers indicates that fathers of infants under one year spend, on the average, 37 seconds a day with their infant offspring and about 15 minutes a day with their children over one year of age.
