**TERRACE BAY SOCIAL SPECTRUM**

On November 1st the Ladies Auxiliary of the Legion 223 held their Poppy Day Tea and Bazaar. Many lovely tables were set with delicate Christmas novelty ideas, a bake table and knitting table were well patronized. Tea tables were set around the room.

The Community Church held a Pot Luck Supper. Many new residents were welcomed to the successful supper. Reverend Peter McKague said a few words of welcome, then said Grace. Lots of delicious dishes filled 2 tables,

overflowing to side tables for the huge selection of desserts. Close to 100 people attended. After the meal Mrs. Margaret McKague held a sing-a-long with the "Joy" and "Hosana" choir members. During the last 6 weeks a group of adults from the congregation have been practising a song with the children and under the experienced eye of Margaret they too participated in a round with the choirs accompaniment. Mrs. Aini Anderson was at the piano. When the sing song came to an end lots of people stayed for an informal visit or to play games for a while.

Pastor Terry Roth of Thunder Bay travelled down to Terrace Bay for Bible Lectures dealing with the subjects of Christian Living, Bible Prophecy and Current World Affairs. Terry is with the Worldwide Church of God and it is his 4th visit here. Those attending these lectures were from Marathon, Schreiber and Terrace Bay. The meetings were held in the Recreation Conference Room. Wednesday's (Nov.5th) Lecture was entitled "Progress to Oblivion" and the subject Thursday, Nov. 6th was "The Age of Aquarius". Both presentations were excellent and the young adults who attended will be travelling up to Thunder Bay in the near future to attend more of the Lectures given by Terry. Travelling with Terry was his wife Linda. All readers of the "Plain Truth" magazine are welcome to any of these interesting and educational lectures.
