### TERRACE BAY POLICE DEPARTMENT REPORT

A total of 19 occurrences were reported during the week ending November 23. All were of a minor nature.

One adult was arrested and charged with fraud at a local business establishment.

Seven complaints were received regarding the careless operation of snow machines.

The Police Department requests that snowmobilers show their usual consideration for others by operating their machines carefully. We ask that you refrain from driving on citizens lawns, around the hospital and Birchwood Terrace. Special care should be exercised on Terrace Heights where two machines narrowly avoided a collision with a dump truck.
