

GROUP COMMITTEE OF CUBS/SCOUTS MEETING:

A group committee meeting of the Cubs/Scouts of Terrace Bay was held at the Scout Hall on November 17, 1975.

Following a short business section the registrations and different groups were discussed. Twenty two cubs are registered this season and any boy aged 8 - 11 can join the cubs. They meet at the Scout Hall, Mondays at 6:30 p.m.

It was noted, with regret that no Scouts are started yet. All the Leaders of years gone by feel that some new life should be injected into this worthwhile group. If anyone is interested in helping our youth there are a lot of willing hands to guide one along.

It's good news for the Venturers of Terrace Bay - a newcomer to town with a teenage son active in the Venturer Group has volunteered to be the Venturer Leader. Thank you to Hiaaing Jacobsen. We wish you well in your venture.

All inquiries to George Aulenback, Chairman of the Group Committee.
