**You want  
 your business  
 to grow.**

The Northern Ontario Development Corporation was created by the Ontario Government to stimulate the economic growth of this region.

This means finding ways for smaller businesses to become bigger, or at least more profitable.

This can mean making money available to qualifying businesses for expansion of plant or facilities, if you can show us that you cannot obtain funds from the regular lenders.

This can mean talking, at no cost to you, with our team of consultants — experienced in engineering, accounting, business administration and marketing, and all of them residents of the north — about your particular problems.

To find out what the N.O.D.C. can mean to you, get to know your local representative — in Timmins, Sudbury, Thunder Bay.

We're here to help, that's our business.

An N.O.D.C. travelling consultant will be in this area at: The Northern Affairs Office, Marathon Monday, December 1 (p.m.), & Tuesday, December 2 (a.m.) Interviews for Marathon, Manitouwadge, Terrace Bay and Schreiber.

For appointment, contact:  
 Mr. J.B. Young  
 Northern Affairs Officer
