

PINEWOOD COURT MONTHLY MEETING

The monthly meeting of the Board of Management of the District of Thunder Bay Homes for the Aged was held at Pinewood Court on October 31, 1975 at 12:00 noon with six Board members in attendance.

Operating accounts were approved for Pinewood Court and Birchwood Terrace totalling \$102,000.00 for the month of September. The Board approved the admission of four residents for Birchwood Terrace. Authorization by the Board for a sign to be constructed was also passed subject to approval of the Ministry.

Hair cuts and hairdressing rates at Birchwood Terrace will be changed effective November 1, 1975. The residents will be paying the added cost.

The Board accepted the two cent per gallon reduction in the cost for fuel oil delivered to Birchwood Terrace for the period October 1, 1975 to December 31, 1975 and they authorized the Administrator to call for tenders for the period January 1, 1976 to December 31, 1976.

The Board was informed that the addition to the dining room at Pinewood Court was held up by a beam that is in transit from Saskatchewan. The Architect will inform the Administrator as soon as it has arrived in town.

The Ministry of Transportation will be invited to speak to the residents of Birchwood Terrace especially, about safety in crossing the highway. The Board is especially concerned about the residents crossing the highway particularly, when the school guard who has been assisting the residents is not present. The Ministry reported that this crossing is already signed a school crossing. However, these signs are removed during the summer holidays and this is when the traffic is heavy.

The administration staff are looking at a bookkeeping machine that will speed up the payroll and accounting process. These machines are available on an outright purchase or a lease basis. The Administrator was authorized to do a detailed study to see if any savings can be made in this area.

The next Board meeting will be held at Birchwood Terrace on November 28, 1975 at noon.
