# Ontario CAREER

## A c t i o n

Available to unemployed persons, aged 16 to 24, under the Ontario Career Action Program.

## Program

More than half of the unemployed in the Province are young people. Because of this, the Ontario Government has created a work-experience program, with a living allowance, that is designed to help young job seekers find gainful employment.

To be eligible, you must be at least 16 years old, but less than 25 years of age, and you must be unemployed, but actively seeking employment. You must not now be receiving full-time formal education.

Assistance includes on-the-job training plus an allowance of \$100 per week up to a maximum of 52 weeks. The aim is to provide the guidance and experience necessary for employment in private business or industry. The Ontario

Government and Canada Manpower will assist trainees in their search for employment.

To apply, fill out an application form at your local Canada Manpower Centre. Final selection of applicants and allocation of training assignments will be made by the Government of Ontario.

The first program begins January, 1976. Apply soon. Further information about the program is available at your Canada Manpower Centre.

The Ontario Career Action Program is administered by the Ontario Ministry of Colleges and Universities in cooperation with the Ontario Youth Secretariat.
