

Curling Clinic - continued
from page 1

Participants were divided into two groups, one group remained in the lounge covering theoretical sessions and the other group went on the ice surface covering delivery and sweeping.

The Clinic ended with a general question and answer session where a number of important rules in the game were clarified. In addition a special 30 minute video tape was presented at the end of the clinic to recap the days activities.

Curlers attending the clinic requested a follow-up or progress clinic in January or February. Arrangements will be made in this regard.

Some very favourable comments were heard during the clinic:

A First for Terrace Bay - and its a winner! Very good, sure hope we have a clinic every year.

It's great! if you are taught with a group of Leaders then you are not afraid to ask questions.

I would never have dared join the club if this clinic hadn't been held, for I don't know the first thing about Curling, but now I think I will try and Curl.

Jerry certainly has cleared up a lot of questions for me during the 'Blackboard coaching'.

THE ASSESSMENT ACT NOTICE TO PROPERTY OWNERS AND TENANTS

Due to the interruption of regular postal services, the Ministry of Revenue has extended the date for return of the assessment rolls from December 16, 1975 to **January 21, 1976** in all municipalities and localities across the province.

Therefore, in accordance with the provisions of The Assessment Act, assessment notices will be delivered to all assessed persons on January 6, 1976, 14 full days prior to the return of the rolls.

This extension affects the time period during which owners and tenants may appeal their assessments. Therefore, the final date for commencing an appeal to the Assessment Review Court has also been extended from January 6, 1976 to **February 11, 1976**.

Should the postal disruption continue into the month of January, the date for the return of assessment rolls may be further extended. A notice of any further extension will be published at a later date.

NOTE: TOWNSHIP OF WICKSTEED—

These alternate arrangements will *not* be in effect for the Township of Wicksteed in the District of Algoma. Assessment notices will be delivered to owners and tenants on the regular date, December 1, 1975 and the assessment roll will be returned on December 16, 1975. The final date on which owners and tenants may commence an appeal to the Assessment Review Court in the Township of Wicksteed is January 6, 1976.
