**ATTENTION
SNOWMOBILE OPERATORS**

The new regulations set down in the highway traffic act provides for a 15 mph speed limit on all streets in the Township of Schreiber for snowmobiles.

This speed limit automatically applies to all snowmobiles operating in the Township of Schreiber, and will be enforced by the O.P.P.

The 5 mph speed limit previously set down in Municipal by-law has been rescinded by Council and is no longer in effect. However, if due regard to the new 15 mph limit is not taken, Council will have no alternative but to re-instate the 5 mph limit.
