LIGHT THE WAY

A gracious way to acknowledge the spirit of Christmas is to put lighted candles in your windows.

If you must use real candles, be sure to put them out as you leave a room. And be extra careful that curtains or draperies cannot blow against the flame.

CARD DECOR

Let your friends decorate your hallway.

All those holiday cards you receive can add a colorful and festive note to the entrance of your home.

Tape the cards to wide red ribbon and hang streamers down the walls. Or tape them to the risers of your stairway.
